- (4) In accordance with Article 30(1) of Regulation (EU) No 1303/2013, the request for the amendment to the operational programme is duly justified by the need to provide an effective and immediate response to the current public health and economic crisis related to the COVID-19 outbreak and, in particular, by the need to increase the financing of the business support measures and the health sector. The programme indicators are adjusted following the transfer of funds. The request for the amendment to the operational programme sets out the expected impact of the changes to the programme on achieving the Union's strategy for smart, sustainable and inclusive growth and the specific objectives defined in the programme, taking account of Regulation (EU) No 1303/2013, Regulations (EU) No 1301/2013² and (EU) No 1304/2013³ of the European Parliament and of the Council, and the horizontal principles referred to in Articles 5, 7 and 8 of Regulation (EU) No 1303/2013.
